Re: RECOMMENDATION OF VOICE STRESS ANALYST – HENRIETTE VD
HEEVER

For the past 2 years Henriette vd Heever have been providing Copwatch with monthly voice stress analysis tests for testing pre employment, incidents, or general enquiries.

The feedback is always available within 2 hours of the test and done on our premises with the highest form of professionalism and quality.

I can honestly recommend the service of VSA – Henriette vd Heever to any company who only want to pay for value added service.

Kind regards

AC Myburgh
